

CAPABILITY STATEMENT

SCOVILL CONSTRUCTION
& CONTRACTING SERVICES

➤ **UEI: PM3RM6UA1TP3**

➤ **CAGE: 976J3**

Scovill Construction & Contracting Services LLC is a seasoned firm that delivers value-driven construction solutions for Federal, State and Private agencies. We excel in high-stakes environments such as occupied construction and fast-tracked delivery schedules that demand precision under pressure.

Our leadership brings a proven track record and 360-degree understanding of project delivery. We deliver consistency through standardized project controls and proactive stakeholder communication.

Our Contractor Capability Center strengthens the certified firms you want on your team—delivering stability, efficiency, and risk mitigation that creates wins for owners, GCs, and small businesses alike.

We also prioritize social and potentially life-saving impact through training and consulting for organizations that refuse the status quo—empowering them to create environments where their Veteran employees don't just survive, they thrive.

We don't just build—we solve.
